

What is SAGE?

By Steve Wightman, CFP

SAGE stands for “Savings And Growth for Education”. It is a partnership program with over 150 private colleges around the nation and Wightman Financial Network, LLC designed to help our client families reduce the high and ever escalating costs associated with attending the first four years of college. It is a savings reward program where you can earn up to \$15,600 in frequent flyer miles-like credits. We believe savers should be rewarded! To see how much you may benefit, please try the SAGE Tuition Rewards calculator.
